Draft Tax Return — Demo Placeholder

Test case: firm sends a draft PDF back to the client

TEST DATA ONLY — This sample document is fictional and intended only for application workflow testing. It is not an official IRS form, tax record, or legal authorization. Do not submit it for a real tax return.

Sample record

Taxpayer	Alex Morgan (fictional)
Tax year	2025
Document status	DRAFT — NOT FOR FILING
Return data	Synthetic placeholders only; no tax calculation

Workflow checks

Firm uploads or publishes the draft PDF.

Confirm it appears in the client Tax Return page.

Confirm client can view/download it if the feature is implemented.
